

Calvert Park Community Church of God Outreach Report

You guys are awesome!!

Do you have any idea what you have done in the past year?

Our outreach this past year has focused on five areas.

First, outreach from the church budget:

- We have assisted church members with financial needs (food, heat, etc.) in the amount of \$7621.68.
- We have assisted non-church members with financial needs totaling \$1,034.74.

Secondly, we are partnering with Love, Inc by providing a personal needs pantry for the community. This pantry is not supported by the church budget but by your personal contributions. Since we have partnered with Love, Inc. in January we have filled 39 personal need orders. The pantry stocks 23 items that are available to meet needs. Debbie Fader and Nancy Motes are faithfully coordinating this project. Thanks you Debbie and Nancy for your faithfulness. We could not do it without you. A BIG THANKS to all who are faithfully stocking the pantry so we can meet the needs in our community.

The third area of outreach area is our partnership with Weston Schools. The families of our congregation were able to provide 25 pairs of boots for children in need. Again we THANK YOU.

The fourth area is the Fall Fest. The Tafel family planned a great safe family friendly event for the children in the community this past October. We had many families participate and rumor has it that the children are looking forward to it again this year. Thanks JC, Roberta, Elliott and all the volunteers who helped make the event a success.

Finally, Debbie Fader coordinated the Operation Christmas Child Shoe boxes again this year. As a congregation we provided 43 boxes for delivery to needy children around the world.

Like I started out with – **You Guys are Awesome!!** Thank you for sharing what God has blessed you with.

In His Service,

Myra Piper
